

UNIVERSITY ACADEMY OF ENGINEERING SOUTH BANK

Home / Academy Agreement

Research and our own experience tell us that students do best at the Academy when the home and the Academy are working in partnership. This agreement is made to help to support our work together. We ask you and your child to read and sign it. I have signed on behalf of the academy.

The Academy will...

- Treat all members of the Academy with respect and understanding
- Know our students as individuals, and all aspects of their learning, including how they learn best and the most effective ways to support them to keep progressing well
- Provide exciting and challenging educational experiences across a broad and balanced curriculum
- Enable students to become independent learners, valued members of the Academy's community and ensure they are prepared for their successful progression to University, apprenticeships or the world of work
- Provide full access to the Academy's facilities and resources
- Ensure that the learning environment is secure and well organised
- Build effective relationships with our Parent and Carer community
- Be open and welcoming to Parents and Carers and offer opportunities for them to become actively involved with the Academy
- Keep Parents and Carers informed about their child's progress and other Academy events.

As a Parent or Carer I agree to...

- Treat all members of the Academy with respect and understanding
- Value education and show an interest on a regular basis in my child's education

- Let the Academy know of any special medical needs or circumstances which may affect my child's learning
- Attend Academy Parent and Carer days and all discussions about my child's learning.
