School Details Page:

The School Details Page provides you with information on our academy, including contact information and extended services we provide.

My Children Dashboard:

The Children Dashboard is the page where you can access and submit information on your children.

Today's attendance can be expanded to show you your children's attendance history

This events box will list your children's recent conduct and absence marks.

The headlines box will show you key information about your child's attendance and conduct.

- Student Dashboard:** Will provide more information on your child's attendance, conduct, and academic performance
- View Reports:** Will provide you with your child's modular academic reports
- Homework:** View homework that has been set for your child by the academy
- Data Collection Sheet:** You can update the information we have on your child (Emergency Contact, Medical, etc.). Once submitted the academy will review and verify the new information.
