

19th September 2017

Dear Families,

After careful consideration we have taken the decision to implement homework on a regular basis. GCSE exams are undergoing a radical transformation in the way that they are graded and assessed. Recent evidence from the results of the first set of new GCSEs in English and Mathematics show an increase in the level of difficulty and content which is in line with Government expectation of increasing the rigour of examinations. In a nutshell, what students are required to do to achieve 'good' grades has got harder. It is our belief that to ensure your child has the best opportunity to achieve their potential that a more formal approach to homework is needed.

Homework expectations are as follows:

Years 7 and 8 (KS3)	
Learning Area	Amount of Homework
Mathematics	2 sessions of 30 minutes max per week
English	2 sessions of 30 minutes max per week
Science	2 sessions of 30 minutes max per week
Humanities	1 session of 30 minutes max per week
Spanish	2 sessions per week 1 = learning vocabulary, 1 x 30 minutes max
Computer Science	1 session per fortnight
Creative and Performing Arts	1 session per fortnight
Design and Engineering	1 session per fortnight

Years 9 and 10 (KS4)	
Learning Area	Amount of Homework
Mathematics	2 hours per week
English	2 hours per week
Science	2 hours per week
History	1 hour per week
Geography	1 hour per week
Languages	1.5 hours a week (written and vocabulary based learning)
Art	1 hour per week
Music	1 hour per week including instrument practice
Drama	1 hour per week
Dance	1 hour per week
Computer Science	2 hours per week
Engineering	1 hour per week
Product Design	1 hour per week
Business Studies	1 hour per week

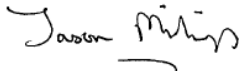

Trafalgar Street, London SE17 2TP

Key Stage 3 homework will be set on fixed days outlined in the Homework Timetable on the next page.
Key Stage 4 homework will be set by then teacher during the two-week timetable cycle and may vary on which days it is set so homework can be tailored to suit students' needs.

Students will be expected to write details of their homework in their planners on the day it is set. Please can you ensure that as parents/carers you sign the planner every week as an acknowledgement of your child being set appropriate work and of them completing it. Class teachers will provide information of what the homework is, its due date and any information that is needed to complete it successfully. If you are unsure about the homework set when supporting your child, please do not hesitate to communicate via the homework planner so that class teachers can respond accordingly.

Yours sincerely,

J. Philipsz
