Create your future

Dear Families,

We have all started the new academic year with positivity, a lot of energy and hard work. Thank you for making sure your children are smartly dressed and arrive ready to learn every morning.

To help support you I have attached the academies expectations on business attire and preparation for learning. The students should be fully aware of this now and also know the consequences of not being dressed appropriately or being prepared for learning.

If you have any questions regarding these matters please contact your son or daughter's Community Leader.

Thank you for your on-going support.

Kind regards,

Mr Rob Harding  
**Assistant Vice Principal**

<b>Hair:</b>	
<ul style="list-style-type: none"> <li>• Hair must be worn in appropriate style. They must not contain any patterns or be in a style or colour the school governors believe will undermine the ethos of the school.</li> </ul>	
<b>Jewellery:</b>	
<ul style="list-style-type: none"> <li>• It is very important in a STEM Academy that students are able to engage in all activities.</li> <li>• Jewellery can be dangerous for many activities and therefore unsuitable for The Academy. Students will therefore only permitted to wear small single stud earrings, one in each lobe and a watch. Watches may be handed to a teacher during certain activities such as P.E.</li> <li>• The Academy is not responsible for the loss of any jewellery. Piercings are not allowed.</li> </ul>	

By coming to the academy in your correct business attire you show that you are proud to be a member of UAE. By wearing it correctly around the school, you show you are ready to learn and prepared to work in a professional environment with likeminded peers and teachers. You should always wear uniform when coming to and leaving school. Students are not allowed to wear hooded jumpers or caps to and from school.

### Preparation for Learning:
