

19<sup>th</sup> September 2016

Dear Families,

According to our records your son or daughter has access to Free School Meals (FSM). The government covers the cost of their meal every day which sums up to £2.10.

Every day this amount will be automatically added to their account. Once your child has had lunch it leaves their account balance to £0.00 at the end of the day. This amount however does not cover breakfast or additional items. Once the £2.10 is spent, any other additional items cannot be purchased.

Please ensure your child only uses their card at lunch to purchase the main meal. If you wish them to have more items then you can add money to the card on the Parent Pay website using the username and password sent to you at the beginning of term.

If you request any additional help please contact reception.

Yours sincerely,

Mr Rob Harding  
Assistant Vice Principal
