Dear Families,

I hope your children have had a positive start to the new year and are feeling excited about the year ahead. To ensure your children continually feel safe, happy and prepared for learning, our pastoral system is there to help. Key to this is the relationship between your children and their Community Leader. Please find below the names and email addresses for our Community Leaders and also the Community Managers.

We kindly ask you to send an email to your child's community leader and community manager if you have any concerns or questions. Your child is aware of his community leader but please feel free to email our office@uaesouthbank.org.uk if you need any clarifications.
