Create your future

Dear Families,

Thank you for your attendance at our recent Year 8 Parents Evening. The dialogue between you and the Academy is essential in supporting your child, so we were delighted that the majority of parents were able to attend. As well as discussing with you your child's progress, we talked to you about the Options Process. We would like to continue this conversation at our Options Choices Evening,

Date: Thursday March 16<sup>th</sup> 2017

Time: 4:30-6pm

Location: UAE South Bank

Your child has already been shown how to book their **single appointment with their community leader**. Our electronic booking system for appointments is now live and can be accessed through our website. Please note that appointments are 10 minutes in duration and their purpose is to discuss and finalise Options Choices. If you need any technical support in accessing the booking system please contact our reception team via email or phone.

We look forward to your continued support and attendance on Option Choices Evening so that we can work in partnership to create the right future for your child.

Yours sincerely,

Jason Philipsz  
Vice Principal
