7th October 2016.

Dear Parent or Carer

You may have already heard from your son or daughter that I have just taken over as the new Principal of UAE South Bank and I just wanted to take this opportunity to introduce myself, tell you a little about me and share with you my vision for the future of UAE South Bank.

I have a long and highly successful background in school improvement and UAE South Bank is the third school I have led as either Principal or Executive Principal.

I have always had a passion for learning and making sure young people in the schools that I lead make the very best of their talents.

Your child will not only have the best available education here but also develop the skills and confidence to create their future.

With an enthusiastic team you can achieve almost anything and I find myself leading a talented and dedicated group of teachers and associate staff but also a bright and motivated student body full of curiosity about the world around them.

In conclusion, please be convinced from the outset that our school will provide an outstanding learning experience for everyone involved.

Please feel free to contact me at school if you have any questions.

I look forward to meeting you soon.

Kind regards

Gary Nelson
Principal
