

15th September 2016

Dear Parent or Carer,

As part of the Academy's broad and balanced Physical Education curriculum, your child will take part in an exciting opportunity to develop their BMX cycling skills. In this Module PE lessons will be held at Burgess Park bike track.

Students will meet outside the Sports Hall at the start of their PE lesson. The class will travel with two members of staff to and from Burgess Park. Students will be provided with bikes and the relevant safety equipment for the lesson. Their PE lesson will be taught by a professional BMX coach and will be supported by another member of staff. The lesson will take place outdoors so therefore please can you ensure your child has appropriate warm clothing in academy colours.

This visit is covered by the Educational Visits and Offsite Activities consent form that you signed in the Student Information Pack.

I am really looking forward to these BMX sessions, please do not hesitate to contact me if you have any further questions.

Yours sincerely,

Rob Harding
Assistant Vice Principal
