21.02.2017

Dear Families,

Your child is approaching a very important time at UAE South Bank. We are dedicated to supporting you and your child with their education to ensure they reach their full potential and achieve their aspirations. Therefore, we are delighted to invite you to our year 8 Parents Evening on Tuesday 28th February.

In our recent January newsletter, our Principal Mr Nelson outlined that we wanted to introduce subject specific meetings for all year groups in order to discuss your child's progress in each of their subjects. We also want to take the opportunity to start the Options Process with you. During the evening we will also be to discuss pathways and unveil our KS4 and Post 16 Curriculum to you.

Our electronic booking system for appointments is now live and can be accessed through our website. Your child has been shown how to do this during an assembly last module. Please note that appointments are 5 minutes in duration and their purpose is to discuss progress and what students can do to improve further. If you need any technical support in accessing the booking system please contact our reception team via email or phone.

Please note that at 5:00-5:15pm the Senior Leadership Team will be making a short presentation to all parents in the LRC about year 9 Option choices (you will be unable to book subject appointments during these times). We look forward to your attendance and support on Parents Evening so that we can work in partnership to create the right future for your child.

Yours sincerely,

Jason Philipsz

Vice Principal
