

5th July 2018

Dear Parents/Carers

This afternoon we have had a large number of students and some staff report that they are feeling sick with stomach aches and also diarrhoea.

We have been in contact with Public Health England and they suspect that there may have been an outbreak of Norovirus in the school.

Their advice is that we should keep the school open tomorrow for students that do not feel unwell. However, if your child feels ill then they should stay at home and follow the advice on the letter from them that we have given to your child.

Please read the letter from Public Health England carefully.

We have also cancelled tomorrow's 'Taster day' for year 6 students that are joining us in September.

Yours sincerely

Principal
