Create your future

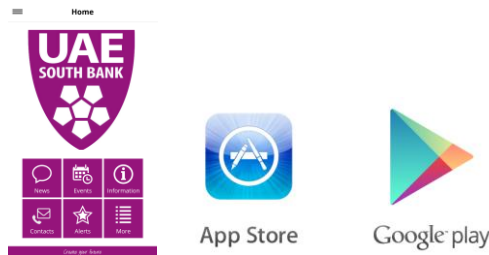

New UAE South Bank App

Dear Families,

Communication between the Academy, families, staff and students is vital for the success of all our students. With this in mind, I am excited to present our brand new UAE South Bank App.

This easy to use and informative app will send you notifications on upcoming events, give you full access to the school calendar and keep you up to date with news from the Academy. You can also make direct contact with the Academy and complete forms and surveys within the app. This will help you to check for key information and updates while you are out and about.

This App is available FREE from either Apple App Store and Android Google play Store by searching 'UAE SouthBank'.

We are enthusiastic to receive your feedback to help shape this useful new communication platform:

Within the app, go to the 'Surveys' section, tap 'Our New App' and fill in this form to let us know your thoughts.

Yours sincerely,

Rob Harding
Assistant Vice Principal
