Year 11 Half Term Booster Classes (15th October – 26th October)

Dear Parents of Year 11 students,

As part of our strategy to raise the achievement of our Year 11s we have created a Half Term Booster timetable for all students to attend. This timetable has been emailed to you, it is on the school calendar and a copy can be found overleaf.

Your child should only attend the subject they are being taught and be prepared to learn with the correct equipment for the day. They can attend in their own clothes and must enter the school via the main Reception. It is important that each student signs in when they arrive and signs out when they leave.

In addition to these classes all their teachers have put GCSE relevant material on their Google Classroom account. They can access this from their phone or laptop at home and in school. It is vital they engage with this new system; this will aid them in their revision.

Yours sincerely,

Rob Harding
Assistant Vice Principal
Rob.Harding@uaesouthbank.org.uk
