Dear Families,

Congratulations to your child for their progress so far this year. Year 9 is a critical year for our students as they begin their GCSE journey. We are dedicated to supporting you and your child with their education to ensure they reach their full potential and achieve their aspirations. A recent letter from the Principal, Mr Nelson, outlined our intention to introduce subject specific meetings for all year groups in order to discuss your child's progress in each of their subjects. Therefore, we are delighted to invite you to our year 9 Parents Evening on **Thursday 23<sup>rd</sup> March, 4:30pm to 7pm**.

Our electronic booking system for appointments is now live and can be accessed through our website. Your child has been shown how to do this during Community Time this week. If you need any technical support in accessing the booking system please contact our Reception Team via email or phone.

Please note that appointments are 5 minutes in duration and their purpose is to discuss progress and what students can do to improve further.

We look forward to your attendance and support on Parents Evening so that we can work in partnership to create a bright future for your child.

Yours sincerely,

Jason Philipsz

Vice Principal
