

July 2017

Dear Parent/Carer,

Ofsted Inspection of the Academy

The Academy was inspected by the Ofsted Inspection team on 9th and 10th May 2017 for the first time. The two-day process was rigorous and involved all staff, students, parents/carers and the governors.

All aspects of the Academy were looked at by the inspectors. These included learning and teaching, learning support, student behaviour for learning, pastoral support, enrichment activities, Academy administrative processes and procedures.

We have now received the final report on the inspection. I am delighted to announce that the Academy has been awarded the graded of "Good" in all aspects of the Academy. They were particularly delighted with the progress the students have been making, their behaviour and enthusiasm.

I take this opportunity to assure you that the we will not rest on our laurels, but we will continue to strive for excellence in everything we do.

I thank you for entrusting the responsibility of educating your children to us and for your continued support of the Academy.

Yours sincerely,

Professor Rao Bhamidimarri
Chief Executive
