This bulletin lists open events at sixth forms and further education colleges that may be of interest to young people from Central London. The information was correct at the point of publication, but events are added and changed regularly, so we strongly recommend checking with the sixth form or college before attending. In some cases, registration or booking is required in order to attend an event. Where this is required a link has been given for booking. Contact details for enquiries are listed for each institution, along with links to any web pages with details of events and registration.
