Charging and Remissions Policy

The Academy recognises the valuable contribution that the wide range of additional activities - including trips – make to students. The Academy will make it clear when voluntary contributions for Academy activities are requested and when there is a clear necessity to charge for activities. Where contributions are voluntary, activities may be cancelled if insufficient contributions are collected.

The following charges will be applied in 2020.

Remissions

Where the parent or carer of a student is in receipt of qualifying state benefits, the Governing Body may consider a subsidy on the cost of board and lodging for any residential activity that is organised for the student, which takes place within Academy time and which is core to the delivery of the full National Curriculum or course being studied by that student at that time. The Governing Body may remit charges in full or in part to other parents after considering other specific hardship cases. The Governing Body invites parents or carers to apply, in the strictest confidence, for the remission of charges in part or in full. The Principal will authorise remission in consultation with the Chair of the Governing Body.

The Governing Body is under no legal duty to agree remissions and will consider each case individually. Remissions made are a goodwill payment on behalf of the Academy and do not constitute a regular practice or entitlement on behalf of other families at any point in the future.

Create your future

Such decisions will be made based upon the financial position of the Academy budget and its ability to cover such costs. Where the Academy cannot finance such requests, activities may need to be cancelled if their costs cannot reasonably be covered.

Insurance

Any additional insurance costs will be included in charges made for trips and activities.

Voluntary contributions

Nothing in this policy statement precludes the Governing Body from inviting parents or carers to make voluntary contributions. The Academy will make it clear when such contributions are voluntary and that children of parents or carers who do not contribute will not be discriminated against. In the event that insufficient contributions are received, the trip or activity may be cancelled.

Catering

The Academy has an external catering contract and will facilitate an online system to enable parents or carers to pay money into an account via their individual username and password. The system will be secure. The payments are received into the school bank account and recorded against the student account. Meals are then purchased via a card system and the meal cost deducted from the students account.

Students who receive free school meals have their accounts administered by a designated person in the reception team and they will advise parents and carers as soon as this system is operation with full details of how to use. The Vice Principal will have designated authority from the school Principal to block students accounts once they are a week in arrears and every effort has been made to ensure that parents can pay off what they owe. The Schools Finance Officer will have oversight of these processes and The Trust Business Manager will have overall responsibility for accounting for monies.

Monitoring, evaluation and review

The Governing Body will review this policy each year in the first years to assess its implications and effectiveness. The policy will be promoted and implemented throughout the Academy.
